FREE OR LOW COST HEALTH INSURANCE FOR CHILDREN

Many families in New Mexico qualify for **FREE** health insurance for their children from birth to age 19. Even more families can qualify for low cost insurance, consisting of minimal co-pay at the time of your child's visit. In many cases, your child may qualify for an emergency card that would entitle them to obtain care while you wait for the application to be processed. To qualify for Medicaid, your child must be a U. S. citizen or legal resident and your family's gross monthly income must meet the following criteria:
